The HANDICAP TOILET is designed exclusively for the handicapped public, with an oversized door to accept any size wheel chair. The floor is flush with ground making easy wheel chair accessibility. Interior is large enough for a wheel chair to turn completely around 360°. Three large stainless steel grab rails are mounted on the walls to help with maneuverability and safety. An enormous amount of light flows through the translucent roof. The Call-A-Head Corporation believes this is the best handicapped toilet available in today's market and we are proud to offer it to the handicapped public.

We're #1 at Picking Up #2
